Physician's Rx for Special meals at School

(for the accommodation of severe conditions or food allergies substantially limiting major life activities or major bodily functions)

Rev. 03/19/2018

*USDA Regulations 7 CFR Part 15b require substitutions or modifications in school meals for children whose conditions restrict their diets and will be provided substitutions when that need is supported by a statement **signed by a licensed physician** and the condition affects a Major Life-Activity or Major Bodily Function (eating, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, immune or digestive function). The physician's statement must identify: □ the child's disability, □ an explanation of why the disability restricts the child's diet; □ the major life activity or major bodily function affected by the disability, □ the food or foods to be omitted from the child's diet; and □ and the foods that can be substituted.*

All requests for Special Diets will be reviewed and approved by the Nutrition Services Department 916-395-5600 ext 460025
