

April 2021

Welcome Back!

Menu for all SCUSD schools
Vegetarian Items: 🌿

Meals will be provided at no cost to enrolled SCUSD or associated charter students. Additionally, free meals will be provided to any child present in the vehicle during curbside distribution that is not enrolled in SCUSD or associated charter school.

Starting April 12, families need to show enrollment verification documents to receive curbside meals. Verification documents were mailed to all Sac City Unified students beginning on March 31. Students do not need to be present for parents/guardians to pick up meals.

If you have not received your enrollment verification documents, you may provide Student ID, class schedule, report card, school welcome letter, student ID number, or student first and last name so that food service personnel can verify your student's enrollment status.

Meal distribution models vary by school site. For the most up-to-date information about meal distribution, please visit www.thecentralkitchen.org.
