

Mini Flame Roasted Potatoes

At Home Heating From Frozen:

Note that heating times may vary based on the oven load and/or the quantity of portion bowls being heated at one time.

Remove from packaging prior to heating.

Conventional Oven:

1. Preheat the conventional oven to 375° F.
2. Place your potatoes in a single layer greased sheet pan in the oven.
3. Heat for 13-18 minutes or until the product reaches an internal temperature of 165°F.
4. Allow 1-2 minutes to cool prior to enjoying.

Microwave Oven:

1. Place ½ bag of potatoes in a microwave safe container.
2. Heat on high for 10 minutes, stirring halfway through cook time.
3. Allow 1-2 minutes to cool down prior to enjoying.
