Meet our Central Kitchen Team!! We are ending the school year with a bang! Over the past three months we have ramped up testing new menu items. In fact, we created 10 new items that have found their way onto our SCUSD menus. Ideas have come from several team members and we are so excited to see what comes out of our kitchen next year. We will be working over the summer, testing new vegetarian and culturally-diverse menu items. It's important that our students' heritages be represented in our menu. We are a small but mighty team who wholeheartedly believes in the mission of serving freshly prepared meals. Have a great summer and see you next year!
